

## PEFC Product Schedule

This Appendix shall accompany the PEFC certificate. It details the sites and products which are included in the scope of the company's certification. The Certificate Holder must inform Soil Association Certification of all changes to the sites list and/or scope of each site. A new certificate Appendix will then be re-issued. Certificate scope including products and certified sites may also be checked on the PEFC database [www.pefc.org](http://www.pefc.org)
