

swift[®] clean 9400

Application

swift[®] clean 9400 is used as a cleaning agent for hot melt adhesives applicators.
This product is used in the cold state and will allow an easy elimination of traces of adhesives on metallic substrates.
As for plastic substrates, check the neutrality of the solvent on the concerned substrates.

Technical Data

Base:	Hydrocarbon
Appearance:	Light liquid
Density:	Ca. 0,762 g/cm ³
Boiling point:	Ca. 145°C
Storage life:	Ca. 12 months
Storage conditions:	In its original sealed container, dry at ambient temperatures, typically 10°C to 30°C
Labelling acc. regulations on dangerous goods:	Xn See safety data sheet

Instruction for use

Use protective gloves and goggles.
Apply the solvent on contaminated parts with the help of a brush or a rag. Small metallic parts can be immersed in the solvent as well as plastic parts provided that it was previously checked that the solvent would not attack the substrate.
Any trace of adhesive will then be easily eliminated.

Packaging

8 kg pail, 200 kg metal drum

Our Focus is Clear. Perfecting Adhesives.

IMPORTANT: Information, specifications, procedures and recommendations provided ("information") are based on our experience and we believe this to be accurate. No representation, guarantee or warranty is made as to the accuracy or completeness of the information or that use of the product will avoid losses or damages or give desired results. It is purchaser's sole responsibility to test and determine the suitability of any product for the intended use. Tests should be repeated if materials or conditions change in any way. No employee, distributor or agent has any right to change these facts and offer a guarantee of performance.

NOTE TO USER: by ordering/receiving product you accept the **H.B. Fuller General Terms and Conditions of Sale** applicable in the region. Please request a copy if you have not received these. These Terms and Conditions contain disclaimers of implied warranties (including but not limited to disclaiming warranties of fitness for a particular purpose) and limits of liability. All other terms are rejected. In any event, the total aggregate liability of H.B. Fuller for any claim or series of related claims however arising, in contract, tort (including negligence), breach of statutory duty, misrepresentation, strict liability or otherwise, is limited to replacement of affected products or refund of the purchase price for affected products. H.B. Fuller shall not be liable for loss of profit, loss of margin, loss of contract, loss of business, loss of goodwill or any indirect or consequential losses arising out of or in connection with product supply.

Nothing in any term shall operate to exclude or limit H.B. Fuller's liability for fraud, gross negligence or for death or personal injury caused by negligence or for breach of any mandatory implied terms.
